Pre WWII Binoculars by Ross of London

An excellent pair of Pre World War II Binoculars by Ross Ltd. of London with near perfect optics. The leather case is in very good condition and bears the initials I.H.F. and a label inside: "Ross Ltd. Great Castle Street, London W.".

Ross were famous London based lens designers associated with Zeiss and particularly well known for their binoculars.

By the end lens there is also an inscription and a date : "I.H.FOULKES FROM E.B.P, 12.3.1922"

Beautiful.
