Taxidermy: American Birds by Henry Ward

A wonderful, large case of American Birds by Henry Ward, c.1860. In very good condition and colour still vibrant.

Henry Ward (1812-1878) was the father of the only slightly better known Rowland Ward and one of the great Victorian taxidermists. He worked and travelled in America for some time before returning to London.

His trade label can be seen in the case bottom left.

91cm wide x 32cm deep x 91cm high
