Denisons Handy Box no.63

An American housekeeper's green leather box dating to about 1910 and in near perfect condition. It contains everything from drawing pins, elastic bands, luggage labels, gummed labels for items in sewing cabinets, medicine chest and even "Liquor Closet"!

It is incredibly intact - some of the envelopes for the labels haven't even been opened. Sealing wax and a red leather case for a glass ink bottle are among other bits and pieces.
