19thC Mahogany Measuring Stand.

19thC Mahogany Measuring Stand.

A very unusual and beautifully made (and very tall!(230cm) , late 19thC solid mahogany measuring stand, with brass fittings on what looks to be an elm base.

In perfect working order and extremely sturdy and strong looking; I think this is quite a rare object.

230 cm high x71cm wide x 49cm deep

£2,200.00
