A Victorian case by Ashmead and Co.

A very good case of Victorian Indian birds including some British Birds (A Jay and Green Woodpecker) The Indian Birds include a Grey Hornbill and white throated and Crested Kingfishers. There is some feather damage but the overall condition is pretty good and robust so makes for a very handsome and decorative case.

There is a trade label for Ashmead and Co inside the case to the lower left.

88cm wide x 43cm deep x 102cm high

£2,300.00
