Three Tiered Mahogany Table

Three Tiered Mahogany Table

Unusual and very good looking mid 19thC mahogany three tiered table, the top tier not being original but added later, very sympathetically I might add.

It looks though it would have started life as a book porter as the uprights finish as open handles but has been transformed into something more useful.

70cm wide x 42cm deep x 83cm high

£700.00
