Light Mahogany Side Table

Light Mahogany Side Table

A very useful late 19thC light mahogany side table with double drawers and lower shelf.

This originally had a very dark wax giving it the traditional mahogany look but had become so marked and stained that, after it was stripped it was decided it looked quite good left a light colour, and there is a really good grain that runs through the top.

92cm wide x 49cm deep x 78 high

£620.00
